Chapter 890 Revive Withered Trees

“Master, are we really born equal?”

“Why are some people born with doting parents? They can go wherever they like and see the sights, and go to school to study. They can even fall in love and court the men they like and spend the rest of their lives together.”

“Why do they have such a beautiful childhood? Why can they have such fulfilling lives? It’s as though even the flowers bloom and birds sing just for them, and everyone applauds them. They can sing to their heart’s content in their youth, but why not me?”

“From the moment I was born, the spirit seal was planted in me. I have been nothing but a vessel for 17 years. I wanted to have takoyaki, but someone made trouble. Even the cherry blossoms refuse to bloom for me. Life is so easy for everyone else. But why does the world conspire against me when I want to do something?”

The ravishing young woman curled up and cried under the stars.

Her voice choked and was filled with sorrow.

It felt as though she suddenly stopped suppressing all the sadness she suffered for 17 years and let it all out.

She cried so hard that her skirt became damp with tears.

Helplessness, dejection, regret, sorrow...

All kinds of emotions kept surging through Suzumiya Eigetsu's heart.

Due to her special status, Suzumiya Eigetsu had been put on watch at all times since she was born.

She was like a princess who was locked up in a lavish estate. She didn't have friends, freedom, or even family.

Her parents had already sold her to Tsukuyomi Tenshin from the moment she was born.

In their eyes, Suzumiya Eigetsu was already dead.

She only existed to become a vessel when Tsukuyomi Tenshin was reborn.

All they needed to do was to ensure Suzumiya Eigetsu's safety until she came of age.

Everyone else had a golden childhood, but hers was colored in shades of grey.

After Mochizuki Kawa brought her to Sword Shrine, she finally gained more freedom.

However, she could only move around freely in the shrine.

Things only changed when she met Ye Fan.

Ye Fan kept her company and showed her how beautiful the world was.

He brought her around and showed her the pleasures of being alive.

Ye Fan was also the one who made her heart throb for the first time in her life.

She couldn't bear to part with the world because of him.

For the first time, Ye Fan made her sense how beautiful life could be.

But that was precisely why Suzumiya Eigetsu felt sad and disappointed in her heart.

At the end, she could no longer suppress her emotions. She placed her head on her knees and sobbed like a child.

Ye Fan watched in silence for a long time.

Looking at this young lady made him think of his own childhood for some reason.

Ye Fan cried in his mother's arms just like Suzumiya Eigetsu when he suffered humiliation while he was with the Chu family.

He asked his mother why everyone indulged Chu Qi-Tian and why he could bask in glory and applause.

Why did his grandparents both adore Chu Qi-Tian?

While all he got was ridicule and humiliation.

“Mum, are we really born equal?”

Ye Fan asked his mother one night in the

Chu residence.

Ye Fan never thought that so many years later, Suzumiya Eigetsu was asking the same thing.

The moon glowed solitarily in the night sky.

Suzumiya Eigetsu couldn't stop crying. She sounded so sad and pitiful that it made others feel like crying.

Ye Fan stood there quietly and kept her company.

After a long time, the crying stopped.

Suzumiya Eigetsu raised her head and slowly stood up.

“Master, I’m sorry for crying.”

Suzumiya Eigetsu had stopped crying and seemed a lot calmer.

She did her best to remain calm as she apologized to Ye Fan.

Then she continued in a soft tone, “Master, it’s getting late. Let’s go. I don’t think I will

get to see cherry blossoms with you. The next time they are in season, why don't you see them with Miss Qiu?"

Her words were filled with sorrow and disappointment.

"Who said you wouldn't get to see them?"

Just as Suzumiya Eigetsu was about to turn and leave, Ye Fan broke his silence and laughed gently.

Then Ye Fan waved his hand suddenly amid Suzumiya Eigetsu's surprise.

HUUU!

In an instant, a breeze swept by.

It felt like a spring breeze leaving the green buds growing and blooming in its wake to Suzumiya Eigetsu's disbelief.

The moon glowed brightly in a backdrop of stars.

Under the dim lights, countless cherry blossoms bloomed, and their scent could be smelled in the wind.

A young man stood amid the ocean of flowers proudly.

He stood with his hands behind him as he smiled proudly.

“If I become the God of Nature, I would make the chrysanthemums and cherry blossoms both bloom in spring.”

His distant voice seemed to reverberate through the air from the heavens.

Suzumiya Eigetsu was instantly stunned.

She raised her head to look at the young man in a daze.

Her tear-stained cheeks were filled with shock.

And her eyes were filled with wonder.

“M-master...” her words sounded like the cries of a nightingale as it echoed through the night air.

Cherry blossoms bloomed for miles.

The pink blossoms were particularly

beautiful under the light.

However, they couldn't compare to the beautiful and delicate young woman standing in the sea of pink flowers.

Suzumiya Eigetsu would never forget this night. It felt as though a ray of sunlight suddenly appeared and rid her of her sadness, making her world light up.

In the Book of Celestial Cloud, there was a technique that could harness spiritual energy and change the flowering season and revive withered trees.

The secret technique sounded miraculous, but in reality, it was about using spiritual energy to change the temperature to make plants bloom earlier.

Although it wasn't of much use in a fight, it was particularly effective for impressing girls.

After seeing the cherry blossoms, Ye Fan and Suzumiya Eigetsu headed back to the hotel.

Suzumiya Eigetsu chatted happily on their way back and reverted to her usual lively and optimistic personality.

It was all thanks to the spiritual energy he harnessed.

“Master, you are amazing. Are you a god or something? I think only the gods can revive withered trees, right? I am so envious of Miss Qiu for marrying someone so capable,” said Suzumiya Eigetsu happily nonstop on their way back.

In her heart, she admired Ye Fan even more.

"I know, right? I feel envious of Mu-Cheng for marrying such a wonderful man like me," said Ye Fan after he heard what Suzumiya Eigetsu said. He nodded proudly without batting an eye as he spoke.

A beautiful smile instantly bloomed on Suzumiya Eigetsu's face.

"Heehee! Master, you're so shameless!"

The moon was out with the stars.

The young woman's melodious laughter drifted into the distance with the wind.

Very quickly, they arrived at the hotel.

Suzumiya Eigetsu was the one who booked the hotel.

Ye Fan didn't have any money on him. Even if he did, it wasn't local currency.

So Suzumiya Eigetsu covered all their daily expenses.

Suzumiya Eigetsu was born in a powerful family from Tokyo. Also, she had a special status, so no one dared to treat her badly.

After all, this girl would transform into Tsukuyomi Tenshin soon.

So they certainly couldn't ill-treat her, right?

Hence, Suzumiya Eigetsu had plenty of money.

“Miss Suzumiya, you're back.”

The hotel manager greeted Suzumiya Eigetsu courteously when he saw her.

He didn't know Suzumiya Eigetsu.

However, he knew the black card Suzumiya Eigetsu paid with.

There was a logo on each card representing each Suzumiya clan member, and only important members were given the black card.

The Suzumiya family was highly respected and very powerful in Tokyo.

So the hotel manager paid extra attention to them as he courteously led Suzumiya Eigetsu and Ye Fan into their room.

“Do you think the man who went in with Miss Suzumiya is her lover boy? He isn’t even half as handsome as me.”

After seeing off Ye Fan and Suzumiya Eigetsu, a bouncer looked at Ye Fan enviously from behind.

“And? Are you envious? Do you want to sleep with her too?”

The manager instantly stared at the bouncer and made him so terrified that he shook his head nonstop.

“No no. That’s not what I meant. I’m not good enough for her.”

The bouncer thought he had spoken inappropriately and was instantly petrified.

But the moment the bouncer finished his sentence, the manager hit him on his forehead.

“Just be honest! I am jealous too. Darn! Miss Suzumiya sure looks hot. I would do anything to sleep with her,” sighed the hotel manager sadly. He was filled with envy and hatred towards Ye Fan.

They were all men here. Why was he lucky enough to gain the favor of a rich, gorgeous woman?

If Ye Fan caught wind of his words, he would probably be annoyed to death.

No, maybe not.

Since Ye Fan was a live-in husband for three years, he must have heard enough talk like this.

He was probably used to it.

The day came to an end after they returned to the hotel.

Ye Fan would be going to Sword Shrine the next day.

Since it was Ye Fan and Suzumiya Eigetsu's last night together, Ye Fan cooked a whole spread for Suzumiya Eigetsu.

“Wow! Master, you're the best! You even know how to cook. Also, it's really yummy.”

Suzumiya Eigetsu's eyes kept gleaming at the dining table like a fangirl.

Her lovely face was filled with surprise and joy.

Ye Fan said nothing and only smiled quietly.

The young lady wiped out all the food like a ravenous kitten.

Perhaps this was the last dinner they would ever have.

“Take your time. I'm going to take a shower,” said Ye Fan before he went to his room.

Since they had booked a two-room suite and each room came equipped with a bathroom, it made things more convenient.

After the shower, Ye Fan headed back to the living room to sit on the couch and watch TV as he waited for his hair to dry.

“Master, this is for you.”

Suzumiya Eigetsu came over with a cup of warm milk from the kitchen.

There was a blissful smile on her intoxicating face.

Suzumiya Eigetsu had always been alone.

She finally had a taste of familial warmth during the time she spent with Ye Fan.

Suzumiya Eigetsu felt particularly happy bringing someone she cared about some warm milk.

Perhaps her happiness got the better of her.

Suzumiya Eigetsu suddenly staggered and tripped over something just before she reached Ye Fan.

“Watch out!” Ye Fan called out hurriedly. However, it was too late.

The glass of milk instantly spilled. Most of it landed on the floor, but some of it landed on Ye Fan.

To a man like Ye Fan with blood on his hands, milk was nothing.

However, Ye Fan felt awkward because both the milk and stunning girl landed on him.

Suzumiya Eigetsu fell prone onto Ye Fan along with the milk.

In the end, she happened to land in Ye Fan's arms.

In reality, things wouldn't have been as awkward if it was a simple fall into Ye Fan's arms.

The thing was, they were some distance apart when the fall happened, so only Suzumiya Eigetsu's face fell onto Ye Fan.

To be precise, she fell onto Ye Fan's lower abdomen.

Ye Fan shivered instantly as he opened his eyes wide.

Ye Fan was at the age where he was hot-blooded to begin with.

Now that a pretty girl was in his arms, his little friend couldn't help having a reaction.

Ye Fan had just taken a shower and was dressed in his loose-fitting pajamas.

A tent quickly formed in his pants.

It hit Suzumiya Eigetsu squarely on the nose while the milk on Ye Fan's pajamas got all over her face.

Regardless of how thick-skinned Ye Fan was, his face couldn't help flushing crimson.

"Hi! Did you call for room service..."

A woman's voice came from the door.

Suzumiya Eigetsu had made a call asking someone to collect the used utensils. From the looks of it, it was the cleaning lady.

However, the cleaning lady was dumbstruck when she reached her head into the room.

She could see Ye Fan sitting on the couch with his clothes in disarray and face red.

A stunning young woman was kneeling before him on the ground. The young woman instantly raised her head in shock when she heard the noise.

And her red, tender face was covered with milk stains.

The instant they made eye contact, Ye Fan

felt as though time had come to a standstill.

The cleaning lady swiftly shut the door with a dull thud and left without collecting the dishes.

“Next time, remember to lock the door! Sigh... So this is what youngsters are up to these days?”
